

There are many other scriptures that promise us protection and peace if we put our trust in God. How much better to listen to these than to listen to what the news tells us!

Jesus said, "In the world you will have trouble but cheer up, I have overcome the world" and "Peace I leave with you, My peace I give to you"

"Because you have made the Lord who is my refuge even the Most High your dwelling place no evil shall befall you nor shall any plague come near your dwelling for He shall give His angels charge over you to keep you in all your ways ... I will set him on high because he has known my Name. He shall call upon me and I will answer him; I will be with him in trouble .."

The Bible says in Psalm 91

If you believe in your heart that Jesus died on the cross to pay the price for your sin and that God raised Him from the dead then you can be saved and be sure that you will go to heaven. If you would like to receive the gift of eternal life that God has for you today, tell the person who gave you this leaflet, contact your nearest church or telephone 07738 181269

Once you've done this ...

***You don't need to be afraid any more!***

Read the Bible and pray to God every day, trusting that He will hear you and answer you.

**GOD LOVES YOU!**

Rejoice because you're on your way to heaven!

Life on this earth is temporary. We are all going to die sooner or later. What really matters is what happens after you die. Jesus came to conquer death and set us free from the fear of death and He promises eternal life to all who believe in Him.

Now is an ideal time to turn to God and put your faith in Him. If you trust in Him He will take away your fear. God has not given us a spirit of fear but of power, and of love and of a sound mind.

There is a lot of fear out there and it's quickly passed on, particularly by the media, but worry, panic, anxiety and fear can't help us in any way.

Are you afraid for yourself, your children your elderly relatives?  
Are you worried about money?  
Are you panic buying?

**How are you reacting to the coronavirus?**
